

Dried fruits

Healthy fruits full of energy and power

With their many vitamins and vital substances, fruits are not only delicious but also very healthy. Dried fruit adds a natural sweetness to muesli or baked goods. We select the finest dried fruits worldwide, cut and process them according to your needs. Our traditional fruit varieties are complemented by exotic fruits. Tailor-made services offer you added value. Post-drying and cutting are carried out in our own plant. For us, it is crucial that your requirements are met. Whether it is individual blends or your desired product, which we are happy to develop together with you — Brückner makes it possible.

The Brückner-Plus

The Brückner-Plus shows you at a glance what you can rely on with us:

- *Careful selection of raw materials from different origins*
- *State-of-the-art technology*
- *Regular visits to suppliers*
- *Post-drying to desired residual moisture in our own plant*
- *Production of customized cut sizes in our own plant*
- *Individual blendings*
- *Certificates: FSSC, Kosher*
