

Onions

The most natural flavour enhancer in the world

Onions have become an integral part of modern cuisine and are more versatile than almost any other vegetable. It is impossible to imagine hearty home cooking without onions, but light, modern dishes are also enhanced by their special, crunchy spiciness. Thanks to numerous cuts and refinements, you are guaranteed to find what you are looking for at Brückner, and our plants are also able to fulfill individual wishes. We attach great importance to meeting all tastes with our diverse range and select the best onions for our customers worldwide. You will see, smell and taste this in our products.

The Brückner-Plus

The Brückner-Plus shows you at a glance what you can rely on with us:

- Wide range of raw materials from various origins with long-standing supplier relationships
- High-quality finishing in our own plant
- Toasted and roasted onions from our own production
- Processing and packaging possible according to individual requirements
- Microbiology (from standard to extra-low-bac)
- Regular quality control by our own laboratories
- Certificates: FSSC, Halal, Kosher
